

Project 57-75

57-75 a project of the Department of Education aimed at increasing the passing grade of the National Achievement Test in the elementary level. IMMFI responded to the call by conducting early detection and intervention seminars among Grade I teachers of the province. The teacher –participants were trained on hearing and visual intervention. Through the Pamiaduangan of the provincial government, the project is piloted in 6 school districts of Pampanga namely; Floridablanca, Mabalacat North and South, Minalin, San Luis and Porac. This project is also supported by the donors of Ayala Foundation -USA
